the world is looking east whilst in the west psychoanalysis is fighting to maintain its position among the other therapies in a society which  
has less time for introspection and self reflective thought in asia a new frontier is opening up we are witnessing a surge of interest for  
psychoanalysis among the mental health professionals and among the younger generations interest which is articulated and nuanced  
differently in the different asian countries in asia and particularly in india japan south korea taiwan and china the development of  
psychoanalysis reflects separate socio political historical contexts each with a rich cultural texture and fuelled by the interest of a new  
generation of mental health professionals for psychoanalysis as a therapeutic method

the first world war is widely conceived as a pointless conflict that destroyed a generation petty squabbles between emperors pushed na [ ]ve young men into a nightmare of mud and blood that killed millions and left scarred and embittered survivors however the ongoing reinterpretation of the first world war reveals that matters were rather more nuanced and complex hardship and death were all too common but there were positive experiences too vast numbers of people for example travelled to new parts of the world and encountered new cultures inspiring a sense of wonder and respect military tactics were improved and great military commanders of the inter war and second world war periods came to prominence during the first world war the conflict also had a formative influence on politicians writers artists union leaders businessmen and some ethnic minorities who used their participation to press for equal rights and full citizenship this book s 16 chapters written by a range of leading new zealand and international historians explains how

published in 1962 in offering this work as a modest contribution to our knowledge of the economic development of england from the standpoint of transportation the author must say in the first place that he has endeavoured to adhere rigidly to the subject in hand without making deviations into collateral fields

drawing together a team of historical experts methodism in australia presents a critical introduction to one of the most important religious movements in australia s settlement history and beyond offering ground breaking regional studies of the development of methodism this book considers a broad range of issues including australian methodist religious experience worship and music methodist intellectuals and missions to australia and the pacific

the type of local and school history before the reader may be unfamiliar it is a definitive and scholarly history in the style of many grammar school histories in queensland although it is not unknown for australian public and private schooling it is unique for queensland state schools by saying it is a definitive and scholarly history what is meant is not that the history is complete only that it reaches decisive conclusions in a substantive treatment in this particular case the historian is someone who has been trained at the level of a higher degree
